Note From The Secretary

On August 7, 2011, Desert Arc attended their 2nd Annual Angels Game Outing in Anaheim, California. It was a day of fun and excitement for all. Colleen H. stated she had a lot of fun hanging out with her friends from Desert Arc and that her favorite moment was when the Angels hit a homerun. The entire event was sponsored by the Beneto Foundation including tickets, ballgame snacks, and transportation. Angels t-shirts were given to everyone in the audience that day. The Angels won the game 2-1 against the Mariners and the evening ended with a spectacular fireworks show.

Note From The Client Council Secretary

On August 18th we held our monthly Client Council meeting. The committee discussed possible fundraisers such as a car wash, bake sale and the possibility of adding a holiday bazaar to the annual holiday gift shop. We also welcomed a new member Anthony P. to the Client Council. He will be representing the Behavior Management Program. Our next Client Council meeting will be on September 22, 2011 at 12:30pm in the Boardroom. Please remember to contact your representative for information and suggestions that you would like to be bring to our next meeting.

We encourage everyone to bring new ideas for our newsletter. We are also taking suggestions on a name for our client newsletter. Please leave me any ideas on my desk.

Sincerely,
Mariana
