Adult Day Center Carnival

On September 2nd 2011, ADC celebrated their 1st Annual end of the summer carnival event. ADC was completely transformed into a mini circus with game booths, face painting, balloon animals, prizes, popcorn and snow cones. There was also a best dressed clown costume. ADC staff and consumers were excited to throw this event and give thanks to all who attended and participated in an afternoon of fun.

Braille Institute Featured Artist

David W. has participated in the Desert Arc's Vocational Training Program for 31 years. He has one of the longest relationships with Desert Arc. He is also involved with Special Olympics and is an avid golfer in the Desert Arc annual golf tournaments. He is a long-term participant in programs with the Braille Institute. The art shown in this picture was created by David while participating in the Desert Arc Art program. He is one of the original artists in this program that began in 2007. He has sold many pieces of art while participating in the art shows sponsored by Desert Arc. This piece was donated to the Braille Institute for display at their site in Palm Springs.

Note From The Client Council Secretary

On September 12th 2011, the Inland Regional Center Consumer Advisory Committee came to Desert Arc to talk about health and exercise with consumers. There were 55 consumers that attended that meeting. A few participated as they showed consumers different kinds of exercises such as jogging, sit-ups, jumping jacks and other different types of exercises. They also showed photos of exercise examples.

Our next Client Council meeting will be on Thursday, October 20, 2011 at 12:30pm in the Boardroom. Please remember to contact your representative for information and suggestions that you would like to be bring to our next meeting. We also encourage everyone to bring new ideas for our newsletter articles. Please leave me a note on my desk.

Sincerely,
Mariana Valentin
